

The beaches of Gower

The Gower peninsular was the first place ever to be assigned an [Area of Outstanding Natural Beauty](#) in 1956, it measures just sixteen miles by seven miles wide yet it offers a beautifully diverse landscape from woodland to limestone cliffs to saltmarsh. It is rich in beaches and here are a few favourites. Some are within walking distance of our cottages and many can be reached by bus.

beach	Blue Flag award	lifeguard (in season)	swimming beach	secluded beach	rock pools	cafes	toilets	car park	walk from cottages	other
Bracelet Bay	✓	✓	✓		✓	✓	✓	✓	✓	sandy & rocky no dogs May - Sept
